Dear Darlene,

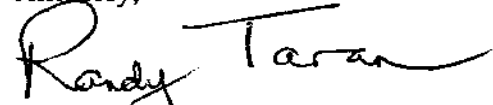

I would like to thank you so much for helping us in the finding of our daughter who had been missing since Sunday.

You were absolutely correct that we would locate her by the following Friday. We received a call at 6AM Friday that she was found. You had mentioned that you saw a car, and indeed that is where she was found.

You mentioned 6 days, and it was 6 days from her disappearance that she was located. In addition, when you described her character, it fit her to a tee.

I found it most reassuring to speak with you at this most difficult time, and thank you profoundly for your wonderful help and insight.

Sincerely,
